Subject: Cancellation of the 48th International Shooting Competition on July 3rd /  
4th, 2020

Dear comrades,

Preparations for the 48th international shooting competition started months ago. Unfortunately, the situation with the COVID-19 pandemic has now developed so dynamically that orderly preparation and implementation can no longer be guaranteed this year. We therefore decided to cancel the event for 2020 and to focus on preparation in the coming year.

Of course, this traditional event is held on and the date will be the **02/03. July 2021.**

We regret this step because many competition teams and many reservists have already registered as functional personnel. Thank you very much for your interest and commitment. Please stay true to the event and we look forward to seeing you again in Bruchsal next year.

Until then, please stay healthy!

With kind regards

Dieter Bohnert  
Oberst

Joachim Fallert  
Oberstleutnant d.R.
